

Pokémon Organized Play Seasonal Format Change

Effective: 9/1/2007

In the interest of maintaining a healthy tournament environment, Pokémon Organized Play removes older sets from the Modified format at the beginning of each new tournament season. Each rotation challenges existing players to create new strategies while allowing new players to get into organized play with a minimum investment.

The following **Pokémon** TCG sets will be removed from the Modified format for the 2007–2008 tournament season:

EX Deoxys 

EX Emerald 

EX Unseen Forces 

EX Delta Species 

EX Legend Maker 

EX Trainer Kit 2 

POP Series 2 Promo Cards 

POP Series 3 Promo Cards 

All Black Star Promo Cards numbered 036 and lower 

As this change does not take effect until the end of the current tournament season, the sets listed above will continue to be tournament legal through the 2007 **Pokémon** TCG World Championships.

Due to the varied release schedule of the **Pokémon** TCG: *Diamond & Pearl* set, the Modified format will vary slightly from country to country until each market returns to a more unified release schedule. As new sets are released, Pokémon Organized Play will update the Modified format list on a country-by-country basis.
